"*The Perfect Prince(ss)*" is a children's picture book about overcoming perfectionism that just happens to feature a delightful transgender princess.

Princess Amina tries to do everything perfectly to earn her people's love! When a wizard changes everyone into animals and sends her far from home, she must break the spell! On her heartwarming journey, she learns that it is not her perfection the people love, but that she is her true self.

Perfect Exceptional Features:

- ☞ 46 Traditional Watercolor Paintings
- ☞ A Modern Fairy Tale from an LGBTQ+ Perspective
- ☞ Supports Self-Determination and Empathy
- ☞ Books Donated to Affirming Organizations

"It's the kind of thing I wish I had access to growing up."

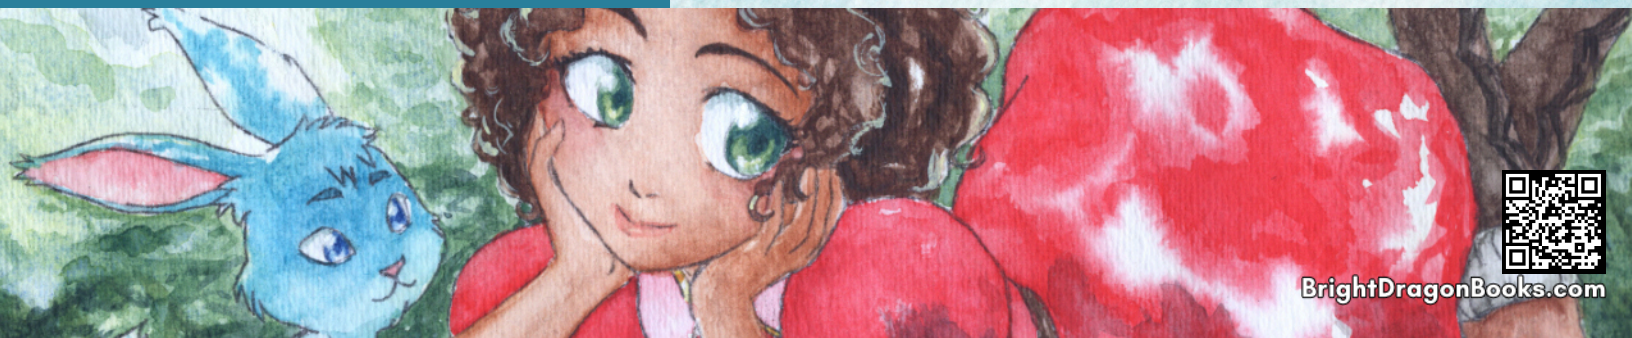

-Garnet D., Kickstarter Backer

"*The Perfect Prince(ss)*" is filled with affirmations, and is first and foremost an enchanting fantasy adventure journey. The concepts are universal: Progress over Perfection. Overcoming conflict with kindness. Even big mistakes can be forgiven.

You don't need to be perfect, to be loved!

About the Author

Bambi Nieves is a femme-presenting non-binary Afro-Latina author who creates fantastical worlds where every child can see themselves celebrated. Their debut picture book, "*The Perfect Prince(ss)*," is an affirming fairy tale that gives children the language to say, "**I know who I am!**" As both writer and painter, Bambi uses storytelling to challenge limiting beliefs about identity, creating space for all our children to flourish authentically.
